

REMARKS/ARGUMENTS

This case has been carefully reviewed and analyzed in view of the Office Action dated 7 March 2006 and Supplemental to the Amendment filed 6 June 2006.

The Amendment filed 6 June 2006 placed this case in condition for allowance, however, the one remaining claim, Claim 5, included a typographical error that appears to have been introduced when the claim was added to this case, and had gone undetected until now. In Claim 5, the term "silicone-steel plate" has been replaced by --silicon-steel plate--, as provided in the Specification.

It is now believed that the subject Patent Application has now been placed in condition for allowance, and such action is respectfully requested.

Respectfully submitted,
FOR ROSENBERG, KLEIN & LEE
